AGC Flat Glass Czech has received the coveted award of Employer of the Year 2016 in the category of up to 5,000 employees, ahead of Hyundai Motor Manufacturing Czech (2nd place) and Foxconn CZ (3rd place). In the category of companies with over 5,000 employees, Škoda Auto is ranked first in this contest organized by Sodexo using the Saratoga methodology of PricewaterhouseCoopers.

“Our personnel is a key factor in our activities. Indeed the company’s success relies on qualified and motivated employees who can create a professional work team. We see our repeated victory in this prestigious contest as a confirmation that our standards in this area are very high compared to other employers.

Maintaining a high standard in relation to our employees is another of our long-standing company policies which we continue to uphold,” says the Chairman of the Board of Directors of AGC Flat Glass Czech, Pavel Šedlbauer.
